Eclipse Viewing Parties @ Your Library!

Earthlings, gather together on Monday, August 21st to view the total solar eclipse! The eclipse will cross the US, coast-to-coast, for the first time since 1918. Bring a lawn chair to any Pickens County Library System location (Easley, Central-Clemson, Pickens, or Liberty) and share this once-in-a-lifetime experience with others! We'll have cold water, as well as Trivia Quizzes for adults and celestial coloring pages for kids. According to NASA the eclipse will last from 1:08pm – 4:02pm with maximum eclipse occurring at approximately 2:38pm. The Library will provide free eclipse viewing glasses starting at 1pm (while supplies last).

These viewing parties are free and open to the public. For more information about these parties, call the library at 850-7077. For more information about the eclipse, please visit www.eclipse2017.nasa.gov.

Pickens County is an Equal Opportunity Provider and Employer
