## **Have an All-Natural Summer with Essential Oils @ Your Library!**

Let's go all natural this summer and kick toxins to the curb! As part of our Adult Summer Reading Program, learn how to replace toxins in your home by using essential oils. On Thursday, June 1<sup>st</sup> at 10:30am at the Hampton Memorial Library in Easley, we'll discuss what essential oils are, how they work, and how to use them in practical ways to replace toxins in your home. We'll also get hands-on as we make an all-natural outdoor spray to use throughout the summer.

This program is free and open to all. Attendance at this program will earn you an entry into our Summer Reading Weekly Prize Drawing. For more information, call the library at 850-7077.

Pickens County is an Equal Opportunity Provider and Employer
