## **American Girls Program Featuring Lea @ Your Library!**

Join us at the Hampton Memorial Library in Easley at 10am on Saturday, January 13 for an American Girls Program featuring Lea. Lea is a young girl with an adventurous spirit! When her family embarks on the trip of a lifetime to Brazil, she explores the water and rainforests of this beautiful country. Join us for Lea-themed stories, crafts, and activities.

This enrichment program is presented by staff from the Youth Services Department of The Pickens County Library System. Each program features one of the American Girl characters and activities relating to that character's story. These programs are free and open for all to attend and enjoy. For more information please contact the library's Youth Services Department at 850-7077.
