Award-Winning Musician Marc Black Presents “A History of the 1950s and 1960s through Popular Song”

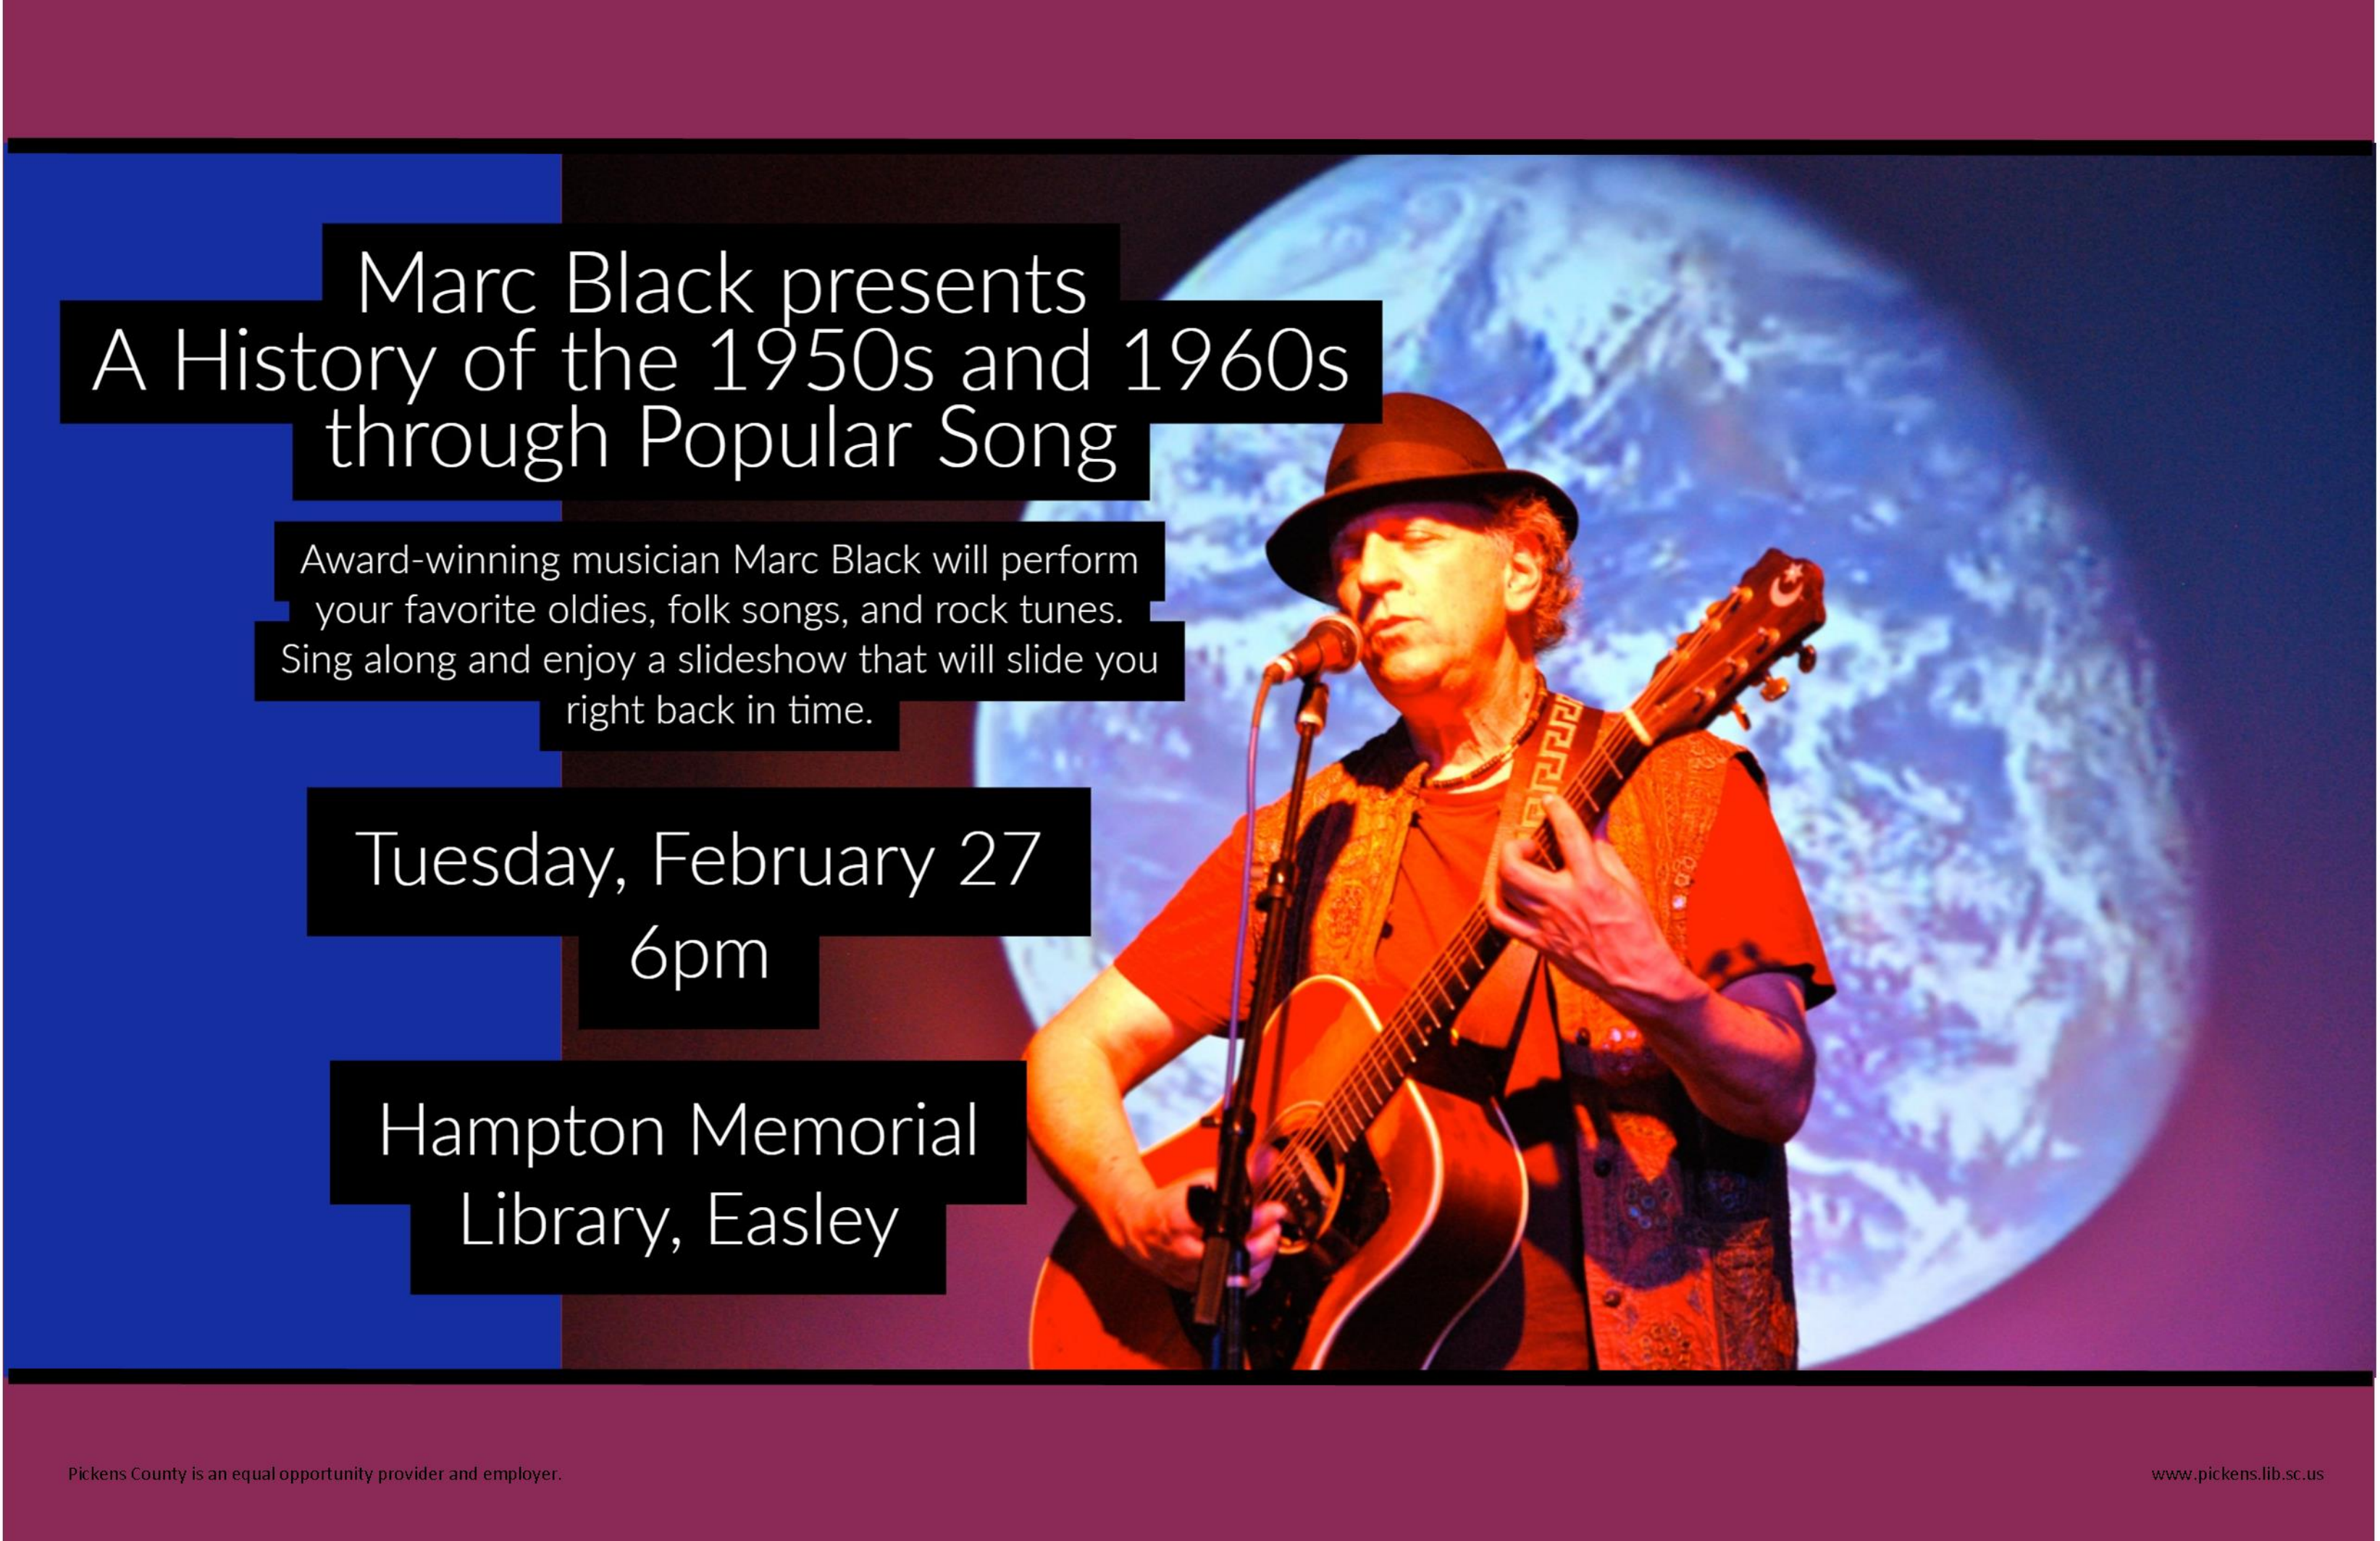

Join us at the Hampton Memorial Library in Easley on Tuesday, February 27 at 6pm as Marc Black uses a wide range of popular songs including surprising favorites like *Itsy Bitsy Teen Weenie Yellow Polka Dot Bikini*, great rock tunes like *Blue Suede Shoes*, and moving folk songs like Bob Dylan’s *Blowin’ in the Wind*, to take you down memory lane. The program includes a slide show that will slide you right back in time! This thought-provoking, multi-media show is bound to get everyone singing and feeling good about where we are...and where we’ve been.

Inspired by Elvis Presley, Black formed his first music group at age 9. In high school, his band, The Blades of Grass, had a record deal and a top-100 hit in 1967 called *Happy*. The group toured the East Coast with the biggest acts of the day, including the Doors, Van Morrison, and Neil Diamond!

This special program is free and open to the public. For more information, please call the library at 850-7077.
