

### Mama Dog

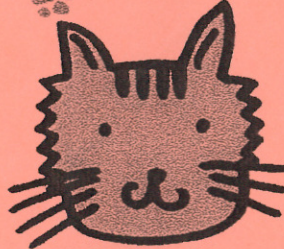

At the end of **6 months**, there could be 9 dogs.

At the end of **18 months**, there could be 81 dogs!

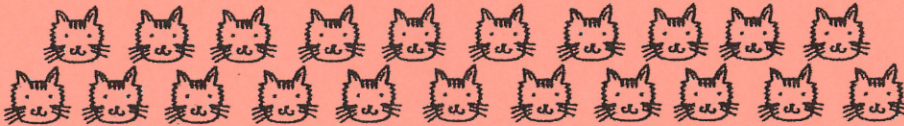

This is what can happen if you don't have that mama dog spayed. *Please call 898-5774 for details about the Pickens County Spay/Neuter Program or call your local veterinarian.*

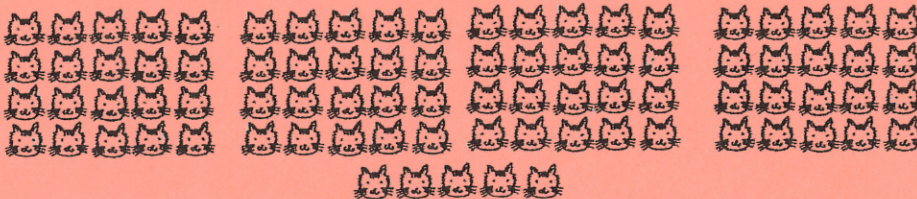

### Mama Cat

At the end of **5 months**, there could be a total of 4 cats.

At the end of **12 months**, there could be a total of 21 cats.

At the end of **17 months**, there could be a total of 105 cats!

This is what can happen if you don't get that outside mama cat spayed. *Please call 898-5774 for details on the Pickens County Spay/Neuter Program or call your local veterinarian.*
